Accordingly, with the parties' consent, Defendant shall complete its production of non–exempt, responsive records by MAY 30, 2018 . Defendant shall produce these documents on a rolling basis and shall provide status reports to Plaintiff every 30 days, or more frequently as needed. 05/25/2018	<u>14</u>	Unopposed MOTION for Extension of Time to <i>Complete Production and File Joint Report</i> by UNITED STATES ENVIRONMENTAL PROTECTION AGENCY (Peterson, Benton) (Entered: 05/25/2018)
05/30/2018		MINUTE ORDER: The Court has received Defendant's <u>14</u> Unopposed Motion to Adjust Schedule, which indicates that Defendant has made interim productions to Plaintiff, that the parties have discussed ways to clarify the request and/or streamline processing, and that Plaintiff has agreed to narrow one category of responsive records. However, due to a strain on agency resources and to Plaintiff's pending process of narrowing as discussed, Defendant will not be able to complete its production by May 30, 2018. With Plaintiff's consent, the Court GRANTS Defendant's <u>14</u> Unopposed Motion for good cause shown and adopts Defendant's proposed adjustments to the schedule. Accordingly, Defendant shall complete its production of non-exempt, responsive records by JULY 16, 2018 . Defendant shall produce these documents on a rolling basis and shall provide status reports to Plaintiff every 30 days, or more frequently as needed. The parties shall file a further Joint Status Report by JULY 30, 2018 , identifying whether any further issues remain in this case and proposing a briefing schedule, if necessary. 07/16/2018		MINUTE ORDER: The Court has received Defendant's <u>15</u> Unopposed Motion to Adjust Schedule, which indicates that Defendant requires additional time to complete its processing of potentially responsive records associated with the recently resigned Administrator of Defendant EPA. <i>See</i> Min. Order of May 30, 2018 (setting deadline of July 16, 2018). With Plaintiff's consent, the Court GRANTS Defendant's motion, for good cause shown. Defendant shall complete its production of non-exempt, responsive records by AUGUST 6, 2018 . While Defendant has not requested an adjustment to the deadline for the parties' Joint Status Report, the Court finds that an adjustment is appropriate in light of the above-granted extension. Accordingly, the deadline for the parties' Joint Status Report shall be continued from July 30, 2018, until AUGUST 20, 2018 . This Joint Status Report shall identify whether any further issues remain in this case and propose a briefing schedule, if necessary. Signed by Judge Colleen Kollar-Kotelly on July 16, 2018. In order to permit the parties additional time to distill any remaining issues, the Court shall adopt the parties' proposal that they file a further Joint Status Report by SEPTEMBER 26, 2018 , identifying whether any further issues remain and proposing a briefing schedule, if necessary. Signed by Judge Colleen Kollar-Kotelly on August 28, 2018. (lcckk1) (Entered: 08/28/2018)

In order to permit the parties additional time to distill any remaining issues, the Court shall adopt the parties' proposal that they file a further Joint Status Report by NOVEMBER 30, 2018 , identifying whether any further issues remain and proposing a briefing schedule, if necessary. 01/25/2019		MINUTE ORDER: The Court has received Defendant's <u>20</u> Consent Motion for a Stay and Extension of Time in Light of Lapse of Appropriations. The parties had been negotiating a resolution of this case, and such negotiation evidently cannot continue at this time due to the lapse in appropriations to the U.S. Department of Justice ("DOJ") and Defendant U.S. Environmental Protection Agency ("EPA"). <i>See also</i> Min. Order of Dec. 7, 2018. Accordingly, with Plaintiff's consent, and in an exercise of the Court's discretion, the Court shall GRANT Defendant's <u>20</u> Consent Motion.
